

SPONSORSHIP DECK

AUGUST 11 – 12, 2023

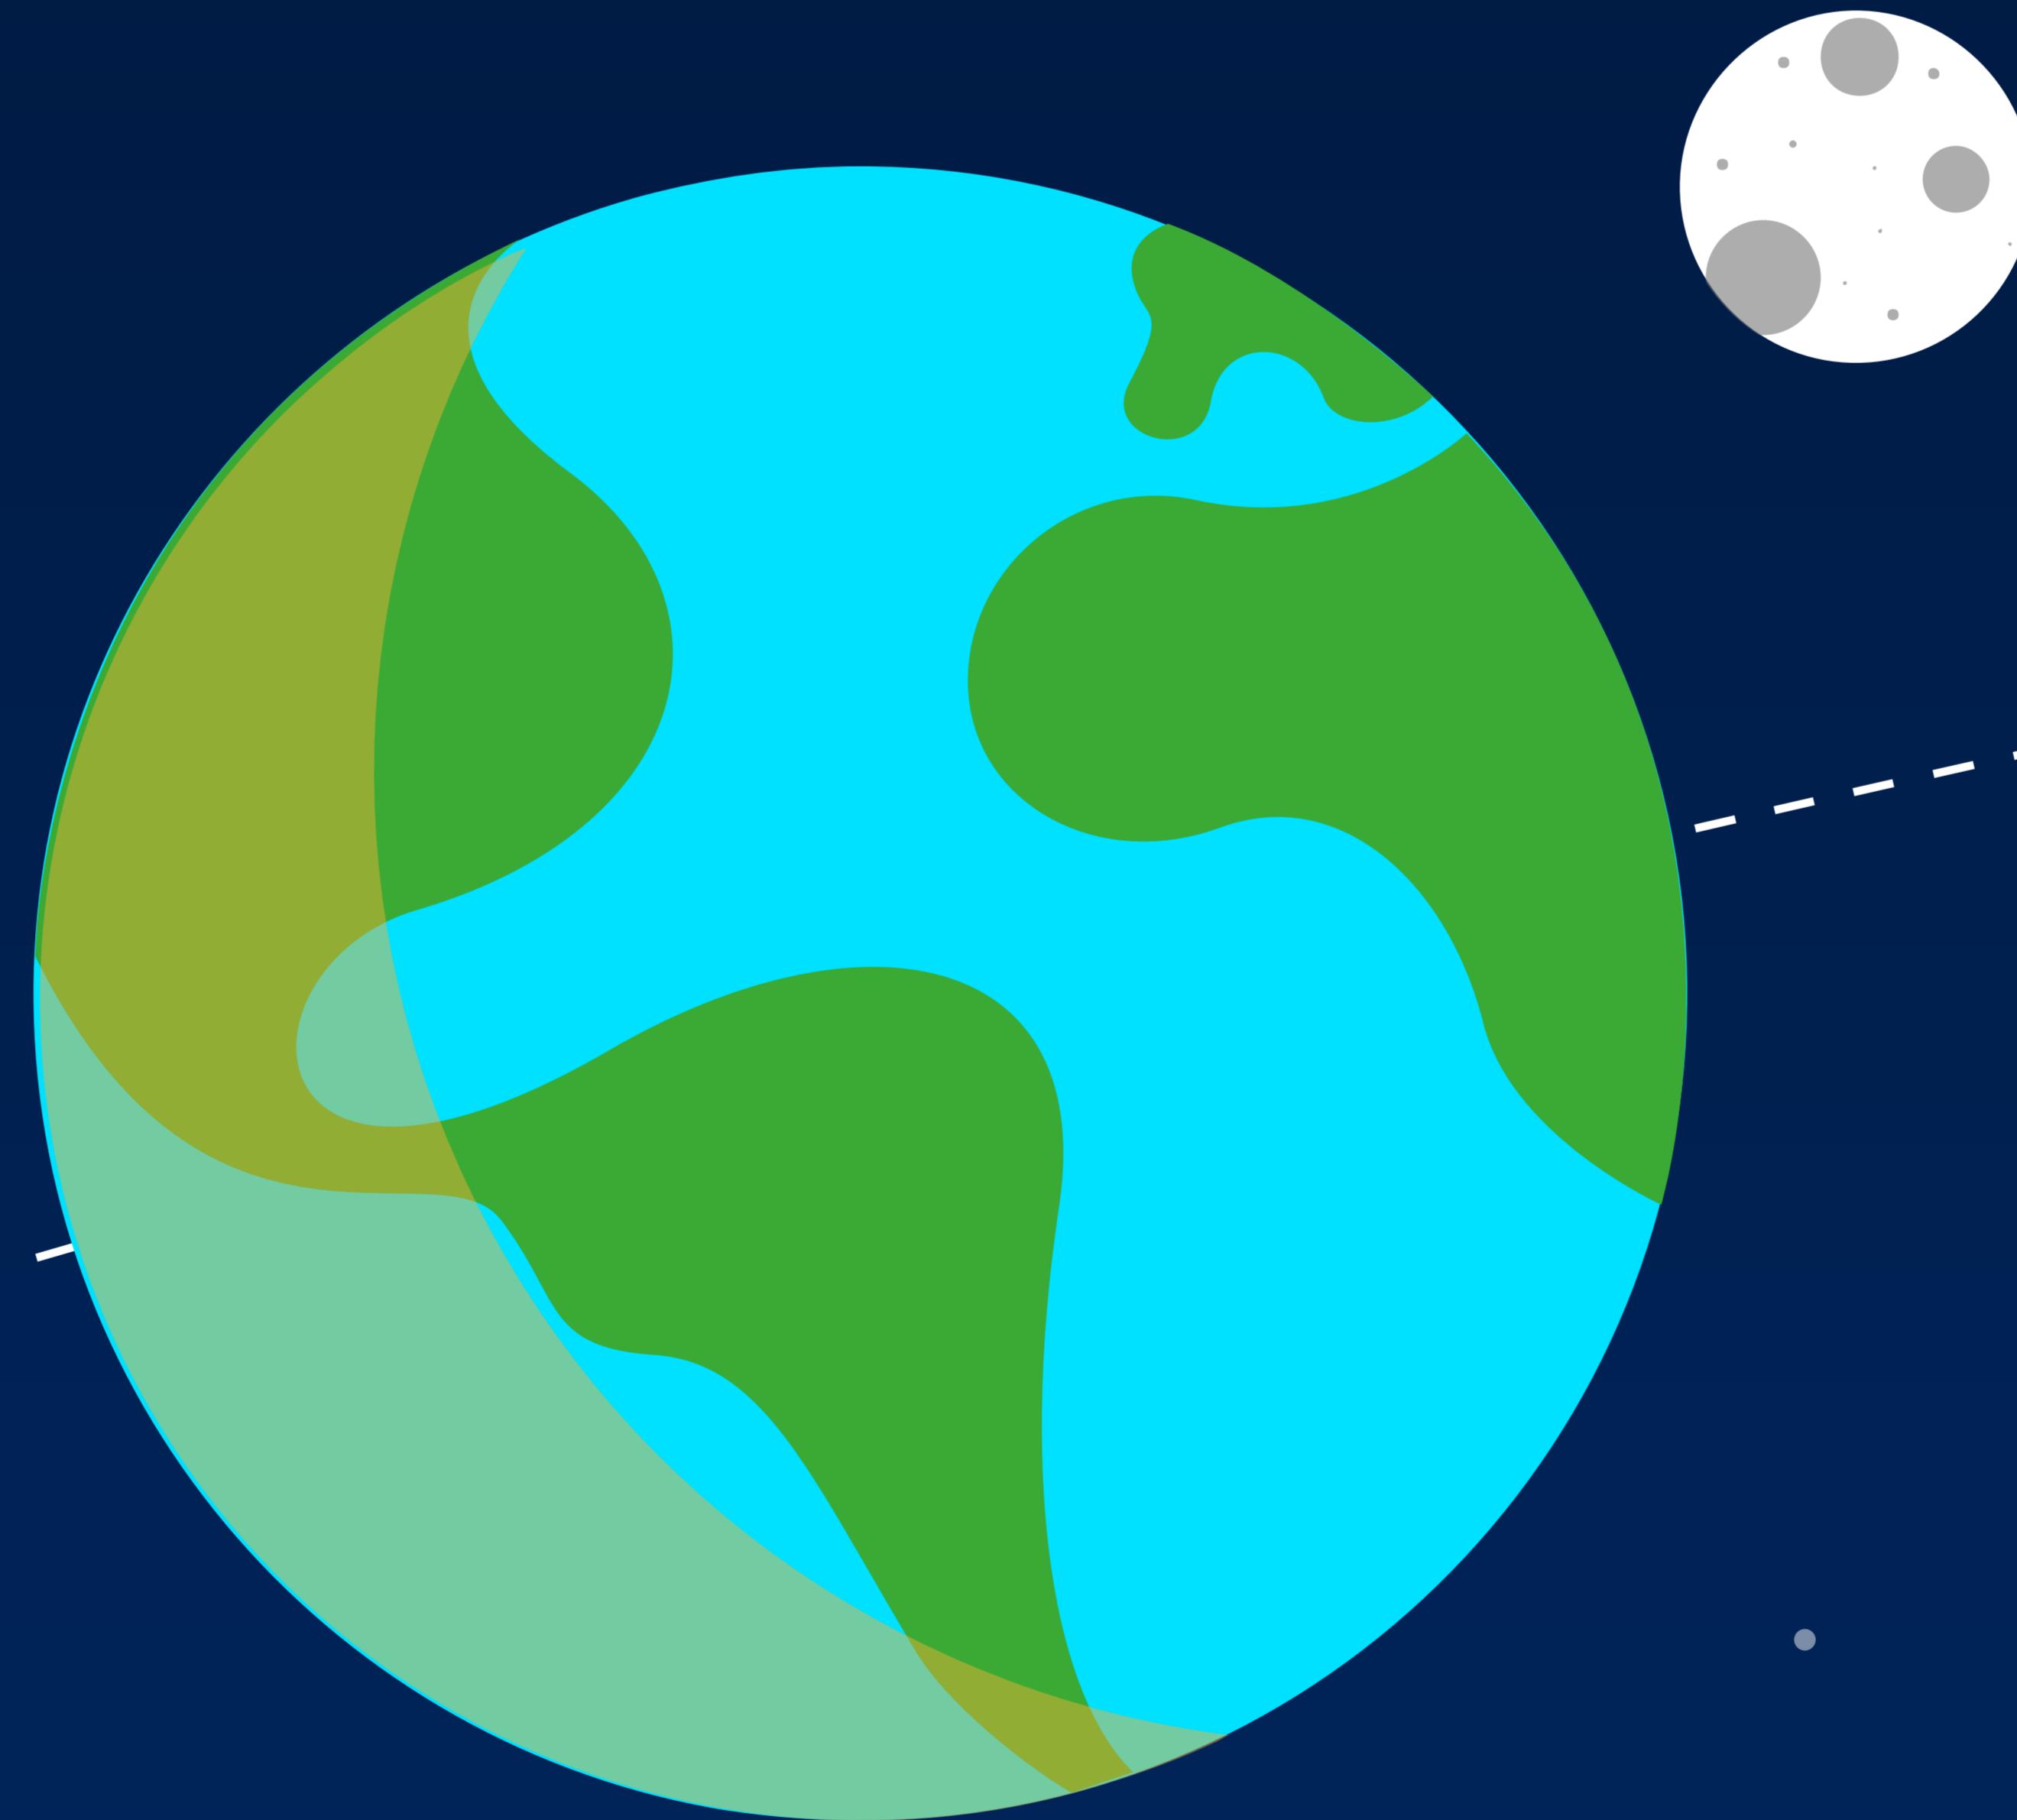

SHRI SHANKARACHARYA TECHNICAL CAMPUS, BHILAI

WHO ARE WE ?

We are active community leaders & passionate community builders who work towards a collective goal of strengthening the region to get all the tech enthusiasts and career aspirants equal opportunities and exposure as people in metro cities or all around the world get!

Hackathon is the biggest tech event for students and newcomers which promotes collaboration, problem solving and building amazing things for the better tomorrow.

So, here we are, organizing the biggest hackathon of central India, with enormous amounts of opportunities and capabilities to level up the community reach of the region.

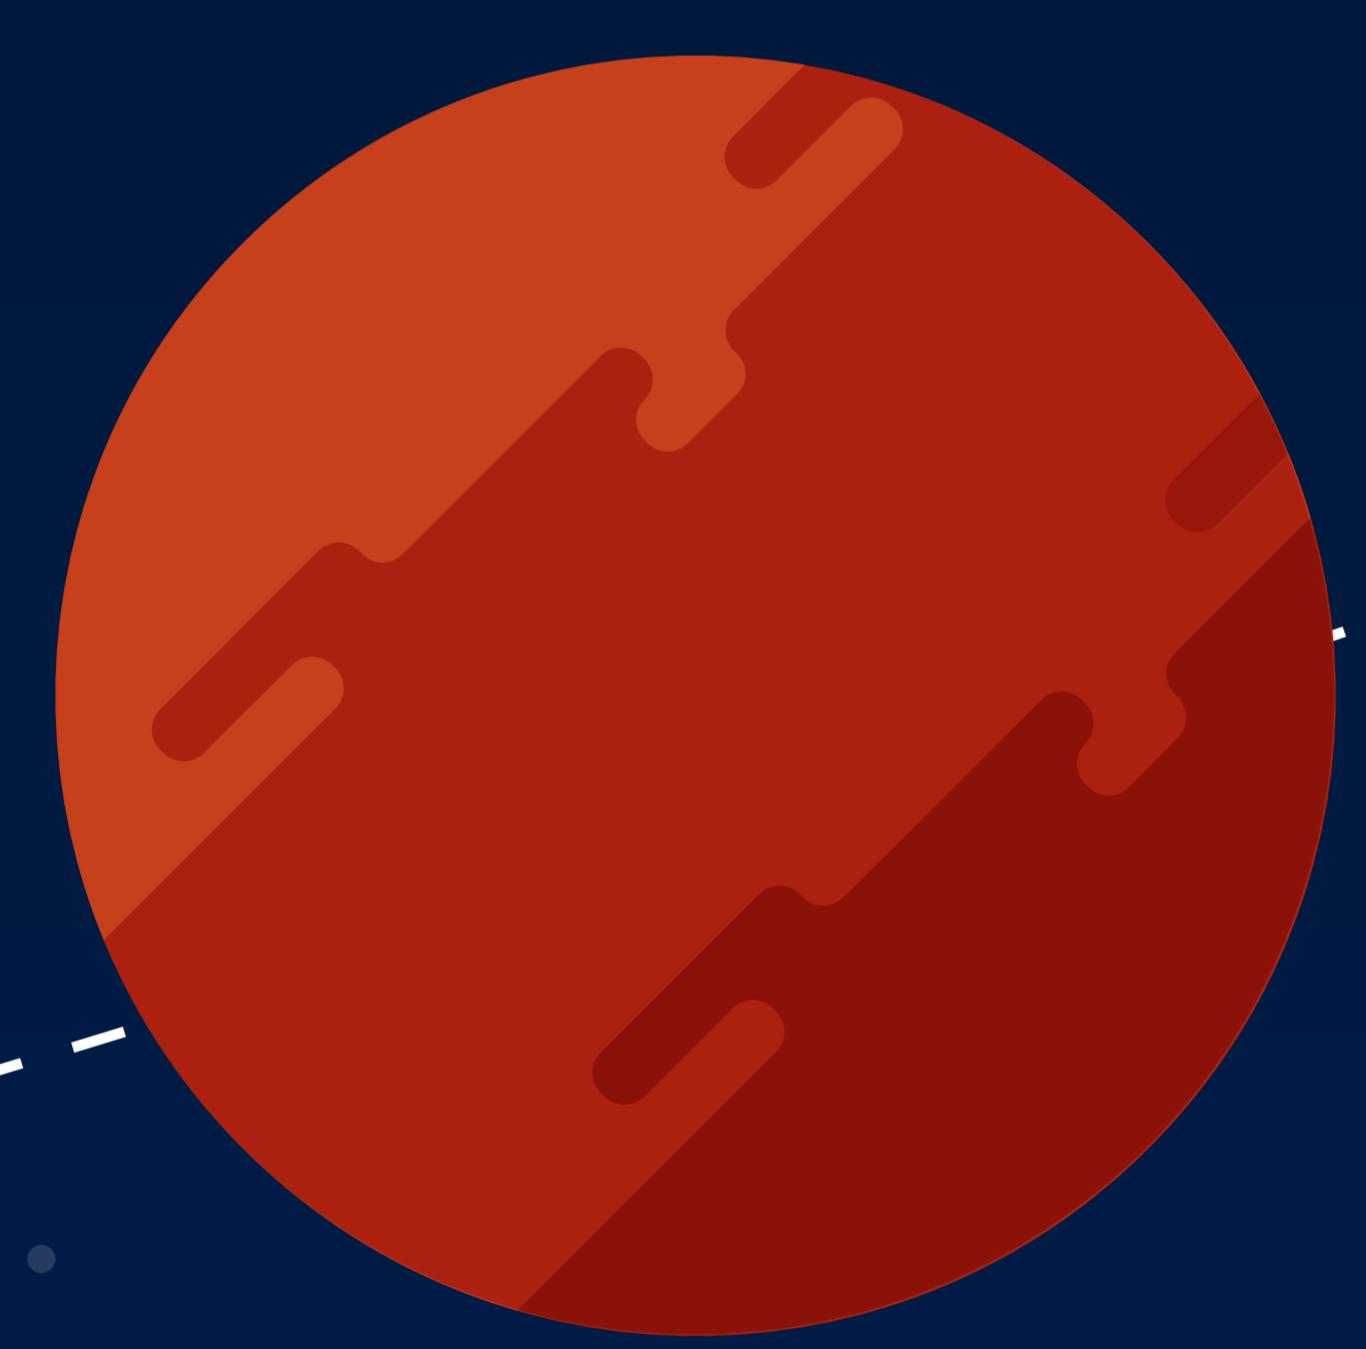

WHAT IS HACKTHESPACE ?

HackTheSpace 2023, is a 24 hour pan-India, In-person, intense, time-limited event where participants will work in teams to brainstorm, develop, and present their ideas to a panel of judges.

HackTheSpace will foster creativity, collaboration, and innovation, and will provide participants with the opportunity to showcase their skills, network with peers, and potentially win prizes & recognition for their work.

This time around, the hackathon is themed around space and will have a very unique way to show it. Make sure to be there!
